CURTAIN spot light center stage,
STAR dreamer real live sage,
SURROUNDED by a thousand signs –
EVERYONE saying heavy times.

SETTING sun mountain lake,
PAINTED pathway crimson wake,
PINE TREES whispering personally blessed –
TREATS everyone as a special guest.

INSIGHTFUL mind quick witted thought,
OBTAINING someone owl's taught –
TURBO-CHARGED magic friends,
WAYS of seeing round next bends.

ALWAYS direct and right on track,
HOPE he remembers care and tact –
AND to undo every turn and twist,
THE smallest detail never missed.
