

Marilyne

Layers of shadow ribbons of light,
Cascading leaves stardust invite –
Beyond explanation dramatic direct,
Memories hopes inspiring respect.

Resident guide enchanted forest,
Greeting strangers welcoming guests –
Her smile alone start a fire,
Edge of dream lifes desire.

Dogs cats laughter friends,
The means she engages match her ends –
Energetic wild magical twists,
Only true love gets crazy as this.

A play begun without rehearsal,
Act II the ego reversal –
Just add kindness and profound change,
Phase transition not mere re-arrange.
