

Yamiche

Cascading leaves attend our walk,
Vermillion/mango/deep purple talk –
Wide-eyed evening edge of tomorrow,
Planet can't take much more sorrow.

Cast for the role/transformative age,
Dramatic/assured/gift for the stage –
After dinner Waterfront Park,
Autumn breeze/early soft dark.

Calm cello notes/brisk harp strings,
Could be an angel hiding your wings –
Jewelry box secrets/respect for mystery,
What do you see beneath our history?

Days grow short/forecast more rain,
This time's choices will long remain –
Are we lost in a field/a wave of unknowing,
Tell us what it means/where's it going.
