

Amy

Nervous wind chimes howling clouds,
Lucky for all her inputs allowed –
Insists on truthfulness / nothing less,
Someone to talk with 'til stars take rest.

Marianne's imaginary / scholar's cachet,
Deconstructs / judges the forces in play –
Sees both sides every divide,
Aware the suffering oppressed abide.

her charisma bespeaks inmost composure,
Advocates the story's harmonious closure –
Peace-loving / gift giving / charm in syzygy,
Brisk cold night turned heavenly symmetry.

Getting back down to here on Earth,
Time out of touch with what life is worth,
Garden in trouble the implication –
In dire want of explanation.
