

Ben

hardwood doors frosted windows,
Scarlet sunset mountain shadows,
Autumn running leaf strewn creeks –
Farewell words kisses both cheeks.

Beneath the scene heaven descending,
Stories schemas paths ascending –
Omega drama conflicted history,
Fingerprints ubiquitous mystery.

Obsessed with voices words books,
Plowshares innocence pruning hooks –
Famous arc toward justice bending,
Equality harmony freedom mending.

Pace on earth chapter unsealing,
Promises dénouement revealing –
Blest if mindful of the sensual,
Tasting touching being practical.
