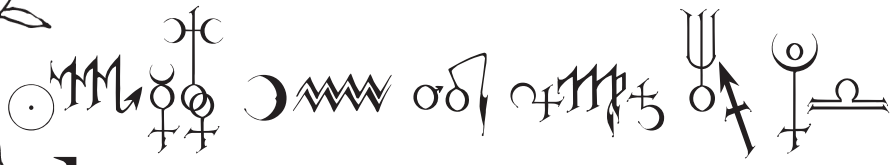
Brett



Lightning thunder no time between,
Conductor silhouettes tumultuous scene –
Woodwinds howl cymbals clash,
Strings shriek teeth gnash.

Needs no excuse no persuading,
Living to see love cascading –
Passionate altruist unrepentant,
Planetary minded interdependent.

Calling angels helped by sprites,
Transitioning the place into motherlight –
Unfolding curled up sacred dimensions,
Whole thing escapes comprehension.

From conflict war soiling our nest,
To caring species being our best –
Master narrative needs an update,
Careful but no need to wait.
