Skeletal trees/milkweed dances,  
Staccato sunlight/second chances –  
Strolling footsteps rustling leaves,  
Autumn afternoon make believe.

Garden drama unpredictable part,  
Taste of dream magical heart –  
Mythic teravolt spellcaster,  
Time stopping spin master.

Worried/sweet/liquid soul,  
Entangled enchanted emergent whole –  
Planet moonlight's waiting for,  
Pastel sea shells turquoise shore.

Emotional/secretive/get down to it,  
Neptune sure you always knew it –  
Hunger/war/paradise made strange,  
This scene cries for profound change.
