

# Calum

**K**nowing how You see both sides,  
If not equal, where Truth abides –  
Harmonious, poised, breathtaking Honest,  
The Moon with Pluto on a Mythic quest.

**B**ack in the courtroom awash in tears,  
At issue the goal the Patriarchy reveres –  
Nature's testimony was not allowed,  
Nor the lower classes making up the crowd.

**W**ith no script pre-written, not a single line,  
Choosing to respond with your Life in Time –  
Bringing moral beauty to the historic setting,  
Mixing celebration with never forgetting.

**C**enter stage, why it matters,  
Sacred moments or tea with Mad Hatters –  
A Cultural Awakening turns survival need,  
“Earth in crisis,” the Children plead.
