

Catharine

Along an edge the planet's line,
Sea sand dusk and sky entwine –
Breathtaking reddened winged cloud,
Sunset's lingering stillness allowed.

Rendered in words the stars agree,
Balancing scales / fair Liberty –
Theatrical skills / honest heart,
Another world's high court part.

Devoted to equality / fairness / free,
Scenes imbued with empathy –
Joy and sorrow / beset with secret,
Entangled in mystery without regret.

Regarding the wished for determination,
Out the kiln of imagination –
Reality's encryption needs decoding,
Your true leadership / clarity promoting.
