

Diane

Serendipitous serious friend,
Fortunate moon stardust ends –
Presence notable yet discreet,
Island orchid magnifique.

Gershwin Lullaby sunset air,
Curtain of willowtree swallows dare –
Living Universe fairyland kiss,
Entangled quantum post-modern wish.

Unabashed embracing hope,
Though Earth nearing end of rope –
Terrorism cynicism hearts hemorrhaging,
Mess we're in beyond imagining.

Courtroom quiets double takes,
Chance turns a dream wakes –
Her task engage the order immanent,
From absurdity deliver covenant.
