

Ellen

Wheat bends vines made ready,
Porcelain moon north star steady,
Morning meadows autumn kissed –
Spring unaware she'd even wished.

Quickened days enchanted nights,
Subtle refinements max polite –
Knows truth hides inside fair,
Whole new meaning concept share.

Balanced cool self-confident,
Egalitarian intelligent –
Esteemed member heavens staff,
Testifying on loves behalf.

For the worlds stuck / beg your pardon,
With politics in kindergarten –
Sensibilities she brings here,
Point the way to Peace from fear.
