

Isabella

Fallen petals sparkling stream,
Swirls shadows O'Keefe themes –
Mood a magic someone wished,
Autumn park walk secrets kissed.

You were never not on stage,
Fairytale to dawning age –
Every scene never dropping a stitch,
Without category/no seemly niche.

Friendly/feelingful/mind intentional,
Quest for freedom multidimensional –
Theatrical skills more than double,
Stellar toil/planetary trouble.

Arriving dusk a forest glen,
Where lovers have vowed their amen –
Now however something's wrong,
Can't go on like this for long.
