**C**eltic manuscripts whisper you,  
In the shadows points of view,  
Turquoise dragonfly emerald dream –  
End of time last judgment theme.

**B**alancing rules weighing exceptions,  
Wondrous ways with imperfections –  
Resonant incidents honest tense,  
Responsibility making common sense.

**B**illowing clouds see through walls,  
Deer swan stallion call –  
Equality dignity luck run deep,  
Mountains edges faces steep.

**N**ote the stakes the cards your hand,  
Organize analyze understand –  
Perfected chips put all on bet,  
Goodness prevails cancels all debt.
