**C** caught in a rain no one predicted,  
Part of town tourists addicted –  
Stepping down from sidewalk level,  
Dripping wet hair disheveled.

**S**haking umbrella gallery shelter,  
Portraits landscapes helter skelter –  
Dramatic mysterious quiet exciting,  
Fragile beauty Louvre lighting.

**B**uried memories ancient spells,  
Swiss mountain valley bells –  
Seeing self on a train platform,  
Receding tracks deepening storm.

**h**ours later written they meet,  
Corner trattoria ever discreet –  
Denouement the play's desired end,  
Plutocrats choose to make amends.
