

# Keò' Mo'

**A**utumn dusk, sliver of Moon,  
Open AIR concert magic commune –  
Players, Audience, Park all one cast,  
Performance as will forever last.

**C**omplex riffs, storytelling Whole,  
Poised, composed, improbable role –  
Refined skills, Spiritual Wealth,  
Modeling Liberation being Yourself.

**h**armonious grooves, nurturing Care,  
Doubtless answer to many a prayer –  
Possibilities and history meld in the mirror,  
The hour quickens, showtime nearer.

**R**adically Honest perfect notes,  
Self-as-Separate antidotes –  
Everybody knows the edges we're reaching,  
Dummeled in lessons the election teaching.
