

Kamala

Venus speaks for this magical place,
LIBRA says perfect to plead the case –
ASSERTIVE, POISED and CAREFUL TOGETHER,
LEANING into the human endeavor.

Since childhood ever the attorney,
Studies the evidence attending the journey –
PERFECT timing / genuine spontaneity,
A gift for recognizing simultaneity.

Everything bookshelf including mythic,
Not simply finished you like TERRIFIC –
CHOCOLATE FROM PARIS / TRUTH made clear,
PEACE ON EARTH one day near.

Balanced and fair in all your dealings,
Stubborn honesty sends duplicity reeling –
SATURN INTERRUPTS, says, "It's getting late,
Change is the key to unlock the Gate."
