Tranquil sky mountain lake,
Peace bestows magic makes –
Completely finished/not done at all,
Existential deliverance storied fall.

Timeless presence endless space,
Makes this a utopian place –
Knight in armour mythic cup,
Okay admits he made that up.

Secret lover independent free,
Wishes words coral sea –
Candlelight comes close to explain,
Honesty without restrain.

Sculpts paints forges links,
Both/and in mind as he thinks –
World cries out, "Failing fast."
"Organize it," Saturn gasps.
