

# Go-Go

**R**EVERENCING living / MIRRORING the blue,  
Choice and random rendezvous –  
Reason, feeling, intuition / care,  
Taking us places only angels dare.

**B**ELIEVING in logic, science and math,  
Following moonlight's shimmering path –  
Espousing Justice / utopian desires,  
Blending energies / ancestral choirs.

**M**ADE it your business to set minds free,  
Dissolve borders / talk integrity –  
Engaging reality / harmony and strife,  
Answering the Children's call to Life.

**N**ONE yet measured your thought's reach,  
Nor fathomed the lessons an hour teach –  
Gently stirred / a magic's woken,  
Act III / scene one / fixing the broken.
