

MARTIE

Veiled feelings moonlight shawl,
Autumn morning quiet nightfall,
Web strung pearls crystal dew –
Total chaos still come through.

Equalitarian ways high honor role,
Enlightenment minded serene soul –
Freely expressing unchained love,
Iconic olive branch from above.

Easy going balanced careful,
Consistently motherlike firm watchful –
Weighing details scrutinizing issues,
Greatest priority the childrens rescue.

If she notices each flowers perfume,
And works of art grace her rooms,
Bills get paid house plants thrive –
Dream of a longed for world revives.
