PRAIRIE grasslands summer horizon,
MOONRISE evenings twilights beckon,
LAVENDER gathered from the sky –
INNOCENCE asking answering why.

JUDGES heart SISTERS eyes,
GLASS bead magic playful wise –
ONE for finishing whatever begun,
SYMMETRY in all things done.

PEACEFUL presence delightful warm,
EASY going mellow charm –
BALANCED consistent mentally free,
CHAMPION of infant democracy.

FAITHFUL intelligent ever true,
LOVE in the between of i and you –
WATER droplet starlight blest,
BE YOURSELF pass every test.
