

# Natalie

**h**er days come alive or so it seems,  
 Inspiring presence heavenly means –  
 Dignified honest balanced graced,  
 In a poetry fate well placed.

**h**anging out between the lines,  
 Seeing both sides reading minds –  
 Joyous gentle truth that links,  
 Feels reasons judges thinks.

**h**igh hawk's inimitable confidence,  
 Lightning moments strange incidents –  
 Cosmic passport lucky birth,  
 More than dozens of roses worth.

**p**ersonable peaceful polite complete,  
 As angels would their own guests greet –  
 What in this lifetime will you call real?  
 What actualize to be the deal?
