Past posted prairie lands,  
Beyond arroyos silent sands –  
Highway ahead line over the edge,  
Takes you places heaven pledged.

Sun in justice / moon in why,  
Slip beneath rose evening sky –  
Ethereal light / curtainless stage,  
Kierkegaardian leap age.

Syns with animals mental waves,  
Resurrects principles untimely graves –  
Brings us closer Life meant to mean,  
Lantern bearer pathway dream.

How'd it ever come to this,  
Paradise desired a distant kiss –  
Chaos has zero concept of sharing,  
Why nurturing / why patience / caring.
