Seraphic sky morning sliver,
Edge of omega cradling forever –
Good reason worried lines,
Listening judging weighing signs.

Disciplined honest analytical,
Lightning straight politically critical –
Unforgettable rooftop wish,
Close to perfect mythic twist.

Kantian category escapee,
Self-organizing complicated free –
Woven clouds mountain nest,
Evening valley amethyst.

Would you once more surry down,
Buzzing fields clovered ground,
Azure heaven fragrant sun –
Garden story not yet done.
