

Susan

STORY similar to one before,
At the end an opening door,
Choir humming cello pure –
Mountain vision dream allure.

MYSTERIOUS logic magically timed,
Heartfelt coincidence resonant signs –
Equality fairness universal wishes,
Enchanting glances long kisses.

DRAMATIC moments Mars alleges,
Delicate balance moral edges,
Learning right undoing wrong –
Something from nothing all along.

FOR sun emerging from behind the clouds,
Freedom no microtheatre ever allowed –
Saturn votes you take the lead,
Defining clarifying loves true needs.
