Wheat fields vineyards prairie lands,
Olive groves dream strands –
World of karma poetic justice,
Goodness spoken love practiced.

Balanced stable hardwired honest,
Owning up friendship obsessed –
Innately curious easily bored,
Ends a journey arrives a door.

Courtroom chambers lookout towers,
Explanations extended hours,
Layers dimensions narrative sensibility –
Final days of eligibility.

Stone soul sober serious case,
Heaven bound or the other place –
Cling to fields of competition,
Or shared goals a phase transition.
