

Zephyr

Rose skies fade midnight blue,
Closing curtain autumn drew –
Winter's giftwrapped waxing crescent,
Whispers presence 'neath the evident.

Always one to go the distance,
Ready to help/offer assistance –
Spellbinding talk/friendship beaming,
Straight to the point/underlying meaning.

How many late nights up after one,
Unraveling threads ancestors spun –
Deep inside where heart smitten,
Memories stored/scripts written.

Given the wind/the moral arc's bending,
Unsecret hope fairytale ending –
Saturn says dialogue/information,
To bring a sustainable explanation.
