

# Annie

**B**etween galaxies and grains of sand,  
Ancient fantasies and fairytale land –  
Aware, mysterious, pan-scientific,  
Multi-dimensional / pluralistic.

**G**raced with a questioning bend of mind,  
Forging a path hours honest and kind –  
Fun at parties, Self-confident, generous,  
Special best friend / wholly serious.

**O**ut on the balcony a Sea wind blowing,  
Night traffic patterns / Taoist knowing –  
A heart only wanting closer to free,  
Closer to all a Loving World would be.

**M**ost agree / there's little illusion,  
Time out of joint / a ball of confusion –  
Hour glass grains quickly running out,  
On what the Story will be about.
