

Angela

She ARRIVES the evening reception,
Summer rain candlecent perfection –
Spotlights shadows soft Gymnopédies,
Silver framed modern asymmetry.

Crowded rooms marble floor,
Warming hands sheltering shore –
Way too honest to presume,
Courtship authored by the moon.

Sights contexts describes facts,
Interests her what the picture lacks –
Knows the categories inside out,
And what the arguing all about.

Rose quartz careful mindedness,
Venus o'r sea of incomprehendedness,
Eyes of watchful meadow deer –
Need you now unequivocally clear.
