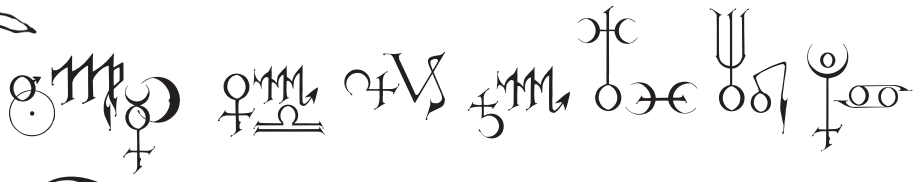
B.B.



Sliver of moon ink drawn branches,
Crazy set of circumstances –
Careful with his tender heart,
Autumn almost magic art.

Lined up folded perfect corners,
Analytical critical unflinching order –
Cooperative patient awesome timing,
Loneliness then everything rhyming.

Suitcase organized polished tracks,
Practiced prepared digs the facts –
Worry wonder heavenly twists,
Knows how you feel at a time like this.

Motherly firm confident persuasive,
Multi-dimensional wholly pervasive –
When you see worlds a living stage,
Curtains rising another age.
