Timeless grace luck unbroken,
Doors that only Trust can open –
Every day closer, nearer the goal,
Each piece in place, World made Whole.

Balanced, inclusive above all honest,
Thinking of Others as doing their best –
Days of worry / years of wonder,
Mostly blue skies, some rain, thunder.

Seeing the long term, eye for detail,
Reliable compass / Heaven's trail –
Cooperative, patient, mindful caring,
Understanding shoulder, no comparing.

The larger Mystery you're a part of,
From down below to up above –
Every Creature, Person in your sphere,
Grateful the Presence you bring near.
