

Beyoncé

Blue skies soft floating clouds,
Eyes a moment magic allowed –
Sacred spaces favorite time,
New earth new heaven rhyme.

Intellectual careful circumspect,
Unafraid to try for perfect –
Justice bent mistake mender,
Ode to tender life tender.

Waiting there where angels go,
In shadows when they want to know –
The story beyond what's being told,
Free of being bought and sold.

If moment to moment keeping awareness,
Goodness nevers without fairness,
Staying honest maintaining balance –
Miracle cascades from circumstance.
