

# Γατού

**U**nexpected on a late Summer walk,  
Off-street café where we can talk –  
For however it is that paths cross,  
Choices getting there are no coin toss.

**S**tars say patient and going somewhere,  
Respect entwined with Friendship and Care –  
A Mind for both sides, below and above,  
Believing in Equity, a World of Love.

**h**onest, focused, a cool confidence,  
Moonlight promised Coincidence –  
Liking it perfect, or at least nearing,  
Unafraid of evil, persevering.

**O**etailed to-do lists, highly organized,  
Spontaneous, free, unsummarized –  
Your Wish, Saturn notes, does have a price,  
It could require Sacrifice.
