

Gwyneth

Lights the candles checks the table,
Crystal linen a fallen petal,
Gifts from vineyard field hills –
Quiet lightning truth no frills.

Lifetime living a real fine line,
Solomon heart de Beauvoir mind,
Balanced steady confident –
Dignity harmony self-evident.

Imaginative thinker relationship school,
Honesty forever number one rule,
Open exchanges two way streets –
Aesthetic spirit refined complete.

Content or saddened shy or brave,
One and all fairness crave –
From fear to trust must be a way,
Saturn suggests just need to say.
