MURMUR of fog a morning meadow,
FADING edge a forest shadow,
Beneath the redwoods sleep the ferns –
Carefully steps pauses turns.

ELEGANCE subtlety every room –
Lace CURTAINS porcelain moon,
Paintings parquet immaculate place,
Forget-me-nots Japanese vase.

LOVING mothers worried heart,
Every day a work of art –
Analyze synthesize extrapolate,
Patiently waiting at the gate.

SATURN for you a lucky star –
Be yourself just who you are,
Conceiving organizing understanding,
Child nurturing consciousness raising.
