

# JERRY

**T**wenty-four carat flawless clear,  
Assuring words dispersing fear –  
Among the garden gifts you bear,  
Mother's heart a soul of care.

**T**imelessly focused never fails,  
Endlessly engaging tiny details –  
Changing diapers warming bottles,  
A natural at coo and cuddle.

**T**houghts words mind on fire,  
Burning sands chocolate desires –  
Floor swept world re-sized,  
Basement to closet organized.

**B**rew some coffee invite your friends,  
No contesting we're reaching the end –  
Take us beyond what masculinity could,  
Describe the goal you wish we would.
