

# Lucas

**H**igh wire tight rope walker,  
Gateway moment honest talker –  
Somehow in between the lines,  
Harvest times nursery rhymes.

**B**alanced poised always weighing stuff,  
Experienced egalitarian magic enough,  
Fulfillment closure just –  
Someone you can trust.

**J**udgments reasoned decisions remarkable,  
Intelligent brotherly keeps it symmetrical –  
Out of air dancing on water,  
Autumn mountain river matter.

**W**here off to / what secret knowing,  
Your Stars ask what got going –  
What's the directory for this place?  
Where headed on face?
