

Matthea

Remembered in a dream soirée,
Balcony encounter/sapphire segue –
Airy jazz/chocolate marquise,
Perfect grace social ease.

Below the city beneath the starlight,
Soft breezes/details/glowing insight –
Honest/careful/direct/precise,
Equality informs her paradise.

Intuitive logic curious dialectic,
Earth Mother Spirit/hyper-electric –
Endless kindness/captivating travel,
Watches bees flower roses unravel.

Museum lover in Louvre line waiting,
Friendly/organized/contemplating –
Patterns in chaos/paths out confusion,
By your making real or rendering illusion.
