Being human storys oft told,
Given to Care to have and hold –
Add his birth stars passing kiss,
Motherly spirit just can't miss.

Concerned attentive time aware,
Perfectly organized comes prepared –
Confident patient downright critical,
Mystery loving analytical.

Room straight closet neat,
Polished silver freshened sheets –
Persuading chaos into sense,
Veiled moonlight present tense.

Pictures drawn codes rewritten,
Reason why Earth so smitten –
Only question which dots connect,
What games where going next?
