Kant, Husserl, Foucault, Niels Bohr,
Lynn Margulis, Freya Mathews, more –
Line by line every book on the Shelf,
Reconstruction site the Subject Self.

Postmodern detective / ancient case,
Organizing to the quantum place –
Future present tense worried maze,
Given the stuff happening these days.

Honest / analytical / trusting Reason,
Cautiously arriving the Judgment Season –
All time best bedtime reader,
Reliable partner / children's interceder.

A love of Democracy truly legendary,
One way you make this night less scary –
Saturn in Cancer asks What's Real,
You can include what frogs might feel.
