

Rhett

Geese in formation leaves cascading,
Years fulfillment anticipating –
Celestial longings earthen tones,
Wondrous mystery no one could own.

Timeless mind existential borders,
Nameless chaos calling for order –
Polished manners respectful words,
Nursing to life dream deferred.

Evening stars with moon align,
Venus and abraxas intertwine –
Attending humanity coming of age,
Parted a moment length the stage.

When sharings practiced loves applied,
Hinges creak gate swings wide –
Persimmons song birds scented air,
Orchids willows all things fair.
