

Suzanne

Swallow in the new moonlight,
Promise in the dead of night –
Blue world in morning green,
Perfection that we only dream.

honesty on wings of laughter,
Triple paragon forever afters –
Undazzled by the fire within,
Perplexed by puzzle sheep were in.

Care and detail begin her virtues,
Plus worried gentleness that nurtures –
Desert sunsets confident debuts,
Turquoise socks earrings too.

What hierarchs value you've analyzed,
Interrogated deconstructed criticized –
To bring us to the inside story,
A goal beyond power money glory.
