The sun returns heavens rafters,
World tapestry forever afters –
Silver brushstrokes/deep soft meadows,
Soothing Earth's bleeding shadows.

Aims a tomorrow love permits,
Threads of souls together knit –
Friendships memories/infinite care,
Assertiveness to get us there.

Off the grid/outside category,
Beyond the patriarchal allegory –
Patient/understanding/keen introspection,
Practiced/organized/pursuing perfection.

Candles lit dusk settles,
Linen tablecloth dahlia petals –
Waiting on beginning/the unsaid/new,
A possibility to do with you.
