

Viola

Stepping carefully from the mirror,
Circumspect, committed, forever clearer –
Courage and patience in pursuit of perfection,
Heaven and Earth in deep connection.

Discerning judgement, radical honesty,
Balancing reasons at the edge of infinity –
Untamed melody, unnamed sonata,
Her own Narratives, ways to nirvana.

Details, fine lines, fractal spaces,
Tactful reserve, some worry traces –
An anxious World in global stress,
You're undaunted whatever the mess.

Crossing the distance, light speed time,
Inspiring us ring again Freedom's chimes –
Weeding the Garden is gonna take hours,
Her thank you in bouquets of flowers.
